Deborah Clark: 712-330-6832 (evenings)

Linnea Lambert: 712-330-7065 (afternoons and evenings)

Treasure Village began in 1973 with the goal of providing a Family Entertainment Center with miniature golf, live melodrama and children's theatre for all ages to enjoy, gospel concerts, and antique flea markets. Garth and Bonnie Neisess planted the trees on what was a bare bean field and built the mini-golf with the help of many friends. We are proud to have positive, family-friendly entertainment.

Garth and Bonnie Neisess: The owners, who live on the property in the red Morton building. Garth is the head honcho and does maintenance with Linnea.

Linnea Lambert: Linnea (the youngest daughter) and her husband Gary, their son Carter (8) and daughter Maddison (5). Besides administration, Linnea designs and builds the show sets, writes script, updates the website, and does maintenance. Gary and Linnea also run Route 86 Music located at Treasure Village. They live in the tan building connected to Route 86 and there is staff housing for men in the basement with its own entrance.

Deborah Clark: Deborah (the oldest daughter) and her husband Dennis and their daughters Laura (11) and Rachel (9). Deborah and Linnea share administrative and directing duties, and Deborah designs and builds the costumes. They live in the gray house, which includes staff housing for women in the basement with its own entrance.

Expectations

Treasure Village has thrived on being a family-friendly place for 40 years. We care about our staff and want to help you grow theatrically, and also emotionally, mentally, and spiritually. We believe in hard work, but we have a lot of fun while we are doing it.

Values are important to us because the positive values you demonstrate in your personality will help the customer to have a positive experience. We are Christian, but that is not required of our staff. However, we do expect our staff to respect one another and we do expect our staff to make positive choices as role models. Drinking, smoking, and sexual relations are not encouraged. Children will recognize you in the Okoboji area, and it is important to remember that you are a role model to them.
